Bus Etiquette

1. QUIET TIME

We try to provide a quiet time between midnight and 8:00 AM. We will limit the use of audio and video equipment on the coach during this travel time. For your comfort, dress in layers and bring a small blanket as we try to keep the bus at a constant temperature.

2. BATHROOM

Please limit bus bathroom use to emergencies due to its small tank, which is emptied at the trip's end. Tour Directors schedule regular restroom stops for passenger comfort.

3. BE CONSIDERATE

Just use courtesy and common sense. Try to accommodate and compromise whenever you can. Remember, our bus is a scent-free zone for everyone's comfort. Please be polite and respectful, have a positive attitude, and be prepared to have lots of fun!

4. RECLINING SEATS

For everyone's comfort, we ask that you NOT recline your seat during daytime travel. Space between seats is limited, and a fully reclined seat can significantly reduce the space of the passenger behind you. Thank you for being considerate of your fellow traveller.

5. LUGGAGE

Overhead storage space is limited. Pack only what you can comfortably keep on your lap or at your feet. Keep medications with you; we cannot dig for luggage once it has been packed under the bus. We allow one large suitcase and one small carry-on per person.

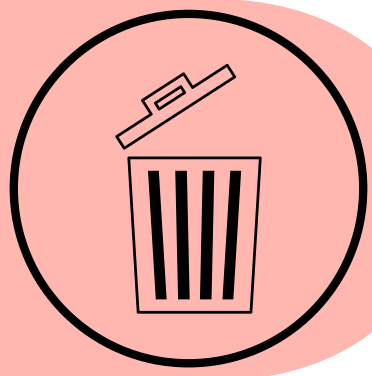

6. MIND YOUR FOOD

Avoid eating or drinking anything with a strong odour, as smells can linger long after you're done eating.

7. GARBAGE

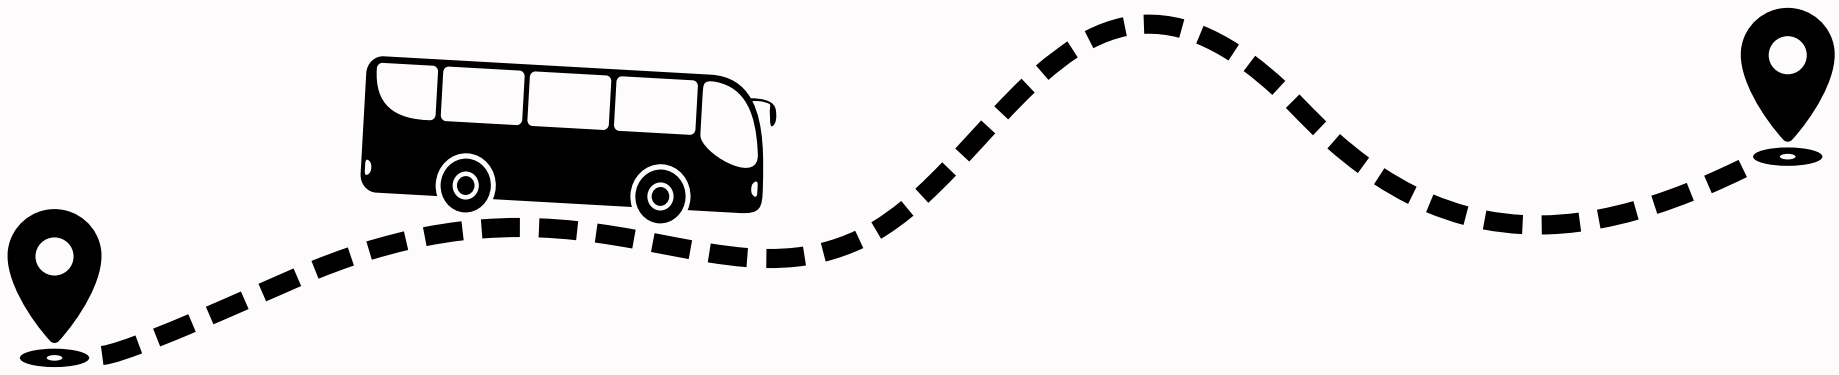

Keep your personal space neat and tidy. Take your garbage off the bus with you at each stop.

8. COMPLETE STOP

For your safety, please avoid standing or moving around the bus while it is in motion. Kindly remain seated until the bus has come to a complete stop.
